gon Short Line Railfoad Company 4% Refunding 25-Year Gold Bonds, due 1929: The undersigned will be prepared to exchange en graved coupon bonds for the above-mentione d Temporary Certificates on or after MONDAY, MARCH 20, 1905, at his office, No. 120 Broadway, New

All coupon bonds exchanged for Temporary Certificates received from out-of-town holders will be rent by express under full valuation, at owners' expense, unless other instructions are received. FREDERIC V. S. CROSBY, Treasurer.

CUT RATES ON IMPORT TRAFFIC

Efforts of Fastern Trunk Lines to End Competition Fall.

CHICAGO March 17 .- Low rates on import traffic will continue this year. At a meeting here to-day of representatives of the lines from the Atlantic and Gulf ports and western roads it developed that contracts have been made at about 40 per cent. below the

The Eastern Trunk lines attempted to induce the Western roads to join them in a plan to stifle the competition of the Gulf lines on import traffic. They asked the western roads to authorize them to name any rates from the Atlantic ports to Missouri river points which they deemed necessary to meet the competition of the Gulf lines.

This was promptly declined by the Western roads. They pointed out that if they granted it they would practically prevent the wholesale dealers in Chicago and St. Louis from competing with importers in New York and Philadelphia for business at Missouri River points and farther west. The Gulf roads also opposed the request of the Eastern lines for unlimited authority to make rates on import traffic from the Atlantic seaboard to the Missouri River. After it was demonstrated that on account of contracts made for 1905 it would be impossible to advance rates on import traffic this year, all lines entered into an agreement

Goslin Denial of Insolvency. Alfred R. Goslin of 677 West End avenue filed an answer yesterday to the petition in bankruptcy filed against him last August by Clair R. Fagley, a creditor for \$38,500 on a note. Goslin denies that he was inpoivent when the proceedings were begun, and that while insolvent he committed the act of bankruptcy alleged in the petition. He received several extensions of time to answer. According to the court docket the last extension was to Jan. 15.

G. M. Cumming to Specced George W. Young George M. Cumming, vice-president of the United States Mortgage and Trust Company will be elected president, according to the highest authority, at the meeting of the directors on March 30, in place of George W. Young, who will then resign and enter the Stock Exchange. Mr. Curning is a former vice-president of the Erie Bailroad.

The bonds so drawn will be paid by the Trustee at par with a premium of ten per cent. (10%) added, upon their surrender to it with October, 1905, and later coupons attached, on or after April 1st, 1905, on which date interest on said bonds will cease.

The Greene Gold-Silver Company Offers for Sale 100,000 Shares of Treasury Stock at Par, \$10 Per Share

PURSUANT TO ORDER OF THE BOARD OF DIRECTORS, FOR THE PURPOSE OF PROVIDING FUNDS FOR ENLARGING ITS OPERATIONS AND INCREASING ITS REDUCTION CAPACITY, THE GREENE GOLD-SILVER COMPANY OFFERS FOR SALE 100,000 SHARES OF TREASURY STOCK AT PAR, \$10 PER SHARE, PAYMENT TO BE MADE ONE-HALF (\$5.00 PER SHARE) CASH AT THE TIME OF SUBSCRIPTION, \$5.00 PAYABLE JULY 15, 1905. SUBSCRIPTIONS WILL BE RECEIVED AT THE OFFICE OF THE COMPANY, 24 BROAD STREET, CITY OF

NEW YORK, UNTIL 12 O'CLOCK NOON, APRIL 15, 1905. The Company reserves the right to withdraw this offer at any time. In case of over-subscriptions, stock will be allotted in the order

The Greene Gold-Silver Company will take over, work and develop mines of gold, silver, copper, tin and lead located under the concession granted to its President, W. C. Greene, by the Mining Department of Mexico, duly approved and ratified by the President

and Congress of the Republic December 3, 1904. THIS CONCESSION IS THE LARGEST AND MOST VALUABLE MINING CONCESSION EVER GRANTED TO ANY INDIVIDUAL OR CORPORATION, GIVING THE SOLE RIGHT TO LOCATE MINERAL OF ANY KIND OVER AN AREA THE CONCESSION IS RECOGNIZED AMONG MINING MEN AS BEING OF ALMOST INCALCULABLE VALUE.

IN ADDITION TO THIS CONCESSION THE GREENE GOLD-SILVER COMPANY ALSO OWNS A LARGE NUMBER PROVED AND DEVELOPED GOLD, SILVER AND COPPER MINES, AMONG WHICH MAY BE MENTIONED THE MULATOS GOLD MINE, SITUATED NEAR THE LINE OF SONORA, WHICH HAS LONG BEEN NOTED AS ONE OF THE LARGEST QUARTZ GOLD DEPOSITS IN THE WORLD, HAVING PRODUCED MANY MILLIONS OF DOLLARS, AND BEING AS YET SCARCELY TOUCHED.

The 60-ton mill now upon this property will be replaced by a modern plant having a capacity for treating 2,500 tons of ore daily. The new will be equipped with the latest and most approved machinery, and will show very large profits immediately upon completion.

The Mulatos mines are developed sufficiently to provide ore for a plant of this capacity for many years. THE GREENE GOLD-SILVER COMPANY ALSO OWNS THE GUAYNOPITA COPPER MINES, IN THE STATE OF CHIHUAHUA, UPON WHICH A LARGE AMOUNT OF WORK IS BEING DONE, AND AN ENORMOUS AMOUNT OF ORE HAS BEEN DEVELOPED. THE RUINS OF OVER 200 OF THE OLD SMELTERS OF THE ANCIENTS ARE STILL TO

The Cananea and Guaynopita were the two copper mines worked by the Indians before the conquest of Mexico by the Spaniards. The Guaynopita ores carry good values in go'd and silver, in addition to high percentages of copper. Specifications for new copper smelters, of a capacity

of 500 tons daily, are being prepared for this company. THE GREENE GOLD-SILVER COMPANY ALSO OWNS THE FAMOUS SANTA JULIANA, BALVANERA GUADALUPE, RINCON AND RONQUILLO GROUP OF MINES IN JESUS MARIA, CHIHUAHUA. THESE MINES ARE FAMOUS AS HAVING BEEN AMONG THE LARGEST GOLD AND SILVER PRODUCERS IN MEXICO, OVER \$120,000,000 HAVING BEEN EXTRACTED FROM THE SURFACE WORKINGS OF THIS COMPANY, NOTWITH-STANDING THE DISTANCE FROM TRANSPORTATION, CRUDE APPLIANCES AND THE HOSTILITY OF APACHE

1,212,796 20 STANDIANS WHO FORMERLY INFESTED THIS SECTION. A double-track drainage tunnel is now being driven which will unwater the mine 1,500 feet below the lowest working, the Santa Juliana being the only mine of the group that has been worked below the water level.

THE ORE BODIES ARE VERY LARGE, THE ORE AVERAGING, BY MILL RUN, FROM \$40 TO \$50 PER TON IN GOLD AND SILVER VALUES. A MILL OF THE CONCENTRATING CAPACITY OF 1,000 TONS DAILY WILL BE PLACED ON THE PROPERTY, AND THESE MINES WILL AGAIN RANK AS THE LARGEST GOLD-SILVER PROPERTY

In addition to these proved valuable mines, the Greene Gold-Silver Company owns the Boluda group of gold mines, the Vet. Grande, Square, Compass and Old Vida, and many other promising properties as yet only partially developed, but showing large bodies of ore, The Company will also buy, sell and work other mines, custom ores, &c., &c.

The Aros and Yaqui Rivers furnish unlimited water, with ample fall for power purposes, enabling electrical power to be utilized at all the Company's properties. THROUGH ITS SUBSIDIARY COMPANIES CONCESSIONS FOR IMPORTATION OF MATERIAL; FREE OF DUTY, EXEMPTION FROM TAXATION, &C., HAVE BEEN OBTAINED. THE BEST TALENT AVAILABLE WILL

BE EMPLOYED IN THE MINING AND ENGINEERING DEPARTMENTS. AMPLE CAPITAL HAS BEEN PROVIDED SUFFICIENT FOR THE FULL DEVELOPMENT OF ITS VARIOUS MINES. THE DIRECTION AND MANAGEMENT IS COMPOSED OF ACTIVE, PRACTICAL, SUCCESSFUL BUSI-NESS MEN, MANY OF WHOM HAVE HAD LARGE EXPERIENCE IN MINING IN ALL ITS BRANCHES, AND THE PLANS OF THE MANAGEMENT HAVE BEEN LAID IN A BROAD AND COMPREHENSIVE MANNER, WITH THE OBJECT OF MAKING OF THE GREENE GOLD-SILVER COMPANY THE LARGEST AND MOST SUCCESS.

FUL MINING CORPORATION ON THE CONTINENT. The capitalization is low, as compared with the extent and value of the property.

The building of the Rio Grande, Sierra Madre and Pacific Railroad, which has in operation 160 miles from El Paso to Terrazas, and which is now under construction by Mr. Greene and his associates from Terrazas to Deidrick, 135 miles further, will afford cheap transportation to the mines of the Company. The inaccessibility of these properties and the distance from the railroad have been the greatest obstacles to the development of these

500,000 shares, with the par value of \$5,000,000, have been placed in the treasury for the development of the property.

50,000 SHARES OF TREASURY STOCK HAVE ALREADY BEEN PURCHASED BY THE DIRECTORS, AT PAR REALIZING \$500,000 IN CASH, WHICH, WITH THE PROCEEDS OF THE ADDITIONAL 100,000 SHARES NOW OF FERED TO THE PUBLIC, WILL PLACE IN THE TREASURY \$1,500,000, AVAILABLE AS NEEDED FOR COMPANY PURPOSES, TOGETHER WITH \$3,500,000 PAR VALUE OF TREASURY STOCK WHICH CAN BE SOLD IN THE FUTURE, IF NECESSARY, AT PRICES MUCH ABOVE PAR.

Prospectus, reports; maps, subscription blanks, etc., will be mailed upon application.

MAKE ALL CHECKS PAYABLE TO THE ORDER OF E. J. GATES, TREASURER, OR W. C. GREENE, PRESI-DENT, OF THE GREENE GOLD-SILVER COMPANY, 24 BROAD STREET, NEW YORK CITY.
